Criminal Records Check

During the 2000 Session of the Kentucky Legislature, a law passed requiring all schools to obtain criminal records check on adult volunteers. The law considers a volunteer to be any adult who assists teachers, administrators, or other staff in public school classrooms, schools, or school district programs, and who does not receive compensation for their assistance. The criminal records check is required on all volunteers who have contact with students on a regularly scheduled or continuing basis, or who have supervisory responsibility for children at a school site or on a school sponsored trip. The request for records will be made to the Administrative Office of the Courts (AOC).
